STATE HIGHWAY COMMISSIONER FOUND ON HIS BED ROOM FLOOR THIS MORNING WITH BULLET WOUND THROUGH BODY

Officers Who Made Preliminary Examination Scout Suicide Theory and Say Bullet Entered Back Above Kidneys and Tore Through Heart and Lung; Body Being Brought to Albuquerque for Autopsy This Afternoon.

Eugene Kempenich, member of the New Mexico State Highway commission and a widely known merchant, was found dead on the floor of his sleeping apartment at Peralta, Valencia county, at 10 o'clock this morning.

Death was caused by a bullet, believed to have been a soft nosed missile, which the preliminary examination indicated, entered through the back just above the kidneys and tore through heart and lung to emerge, leaving a hole in the chest.

Officers of Valencia county, Deputy Sheriff Fred Fornoff of Albuquerque and Ed M. Otero of Los Lunas, life-long friend of the dead man, who made a careful preliminary examination, scouted the theory of suicide, which was advanced immediately after the body was found. Close friends knew no reason of health or any other nature that would lead Mr. Kempenich to take his own life. It was stated by those who participated in the preliminary examination that the position of the wound and of the body indicated that Mr. Kempenich had been shot from behind. He had no known enemies.

The body was being brought to Albuquerque this afternoon for an autopsy which is to be held this afternoon or tonight, in which it is expected to determine the exact nature of the wound and how inflicted.

KIWANIS CLUBS GET FREEDOM OF THE CITY

B. M. Cutting, in Response, Urges Cooperation Among Southwest Communities.

The spirit of Kiwanism is being exchanged today by members of the Albuquerque Kiwanis club and visiting delegates who are here for the first district convention of the clubs.

If there were any of the incoming delegates who did not know that they were supposed to take possession of the city they were rightly informed when the convention opened at the Chamber of Commerce building at 10 o'clock this morning.

Following the customary remarks of Dr. H. H. Mowbray, district governor, who called the meeting to order, City Attorney Will A. Kehler made the address of welcome.

He told the delegates that the city was open and that the city officials would make it their business to see that they were not arrested for violating any minor laws. Mr. Kehler said it was a higher law to carry out a Kiwanis convention in the west than it was in the east because of the wide territory between towns in the west.

Cutting Makes Response.
Col. B. M. Cutting of Santa Fe, who made the response on behalf of the delegates, said the delegates appreciated the welcome that Albuquerque was giving them and then entered into a short plea for community co-operation.

He said that if the towns in the southwest would work together they might be able to secure all five of the hospitals which the government is planning to erect. He urged that there be no competition between towns for a hospital but that the southwest be directed to the government committee as the proper place for the hospitals.

Following the addresses, Dr. H. H. Mowbray appointed a committee to study the new district bylaws and report tomorrow morning at 10 o'clock. The committee consists of Judge John D. McEl of Roswell; Dr. M. K. Wylder, Albuquerque; Dr. A. L. Dillon, Clovis; Robert Mullin, El Paso; George Kell, Tucson.

Following the reports of the district governor and district secretary, the latter being made by John Martin of Phoenix in place of H. W. Leach of Phoenix, who had not yet arrived, the meeting adjourned for the noon luncheon.

Dillon Principal Luncheon Speaker.
Dr. A. S. Dillon of Clovis was the principal speaker at the noon luncheon. He told of the growth of Albuquerque and of the effect of the highway fight thereon as viewed from the outside and added that he believed it was time for the papers to stop fighting and build New Mexico, a state of wonderful resources. His speech contained many amusing stories and was roundly cheered.

J. Byron Best of Roswell presided in place of Hiram Bow who was unable to be present. Two vocal solos were given by Charles Burns, Mrs. Herbert Guller acting as accompanist. The attendance prize was a bath room stool given by Fred Fisher of the O'Fallon Supply company, was won by John O'Laughlin, Sidney Weil among the crowd with a few stories.

There were two silent books, a quart of More oil given by Wilbur Hix of the Sinclair Oil company and a sign for auto windshield given by The Evening Herald. The sign carried the words: "Drive Carefully. You May Meet a Fool." Albuquerque (Continued on page two)
